To the Citizens of Rindge:

I am herewith submitting my Annual Report as Highway Agent for the Town of Rindge for the year ending December 31, 1971.

Swan Point Road was shaped, surfaced and sealed, completing the project started the previous year.

Your Town Road Aid money was spent on that portion of Wellington Road from Route 202 to Danforth Road, a distance of approximately 7/10ths of a mile. We encountered a considerable amount of ledge which had to be blasted. This portion of Wellington Road has been completed.

Several hours were spent in drawing plans and viewing prospective sites for the new Highway Department Garage with the Selectmen, Committee members and interested citizens. Hopefully this issue can be resolved at the Annual Town Meeting.

We prepared and sealed Mountain Road, College Road and East Lake Monomonock Road.

Following the collapse of the wall and a portion of the road on the south end of the Mary L. Ware Common in West Rindge, creating a hazardous condition, many man and machine hours were spent alleviating this problem.

Regular maintenance, including scraping and grading gravel roads (this had to be done several times due to the unusually wet conditions of last summer), cleaning

ditches and cutting brush along the roadside was carried out.

Due to the increased growth of the Town, approximately ten more miles of road had to be maintained during the winter. If this growth continues at its present rate, it will demand more men and equipment.

Regular maintenance of the Parks & Playgrounds, Cemeteries and Dump was carried out.

I would like to take this time to say that the Highway Department did not receive the used radios from the Police Department when that Department received their new radios and that there is a dire need for this equipment during the winter months. Also, it is my opinion that in the best interest of the Town the practice of plowing private driveways should be discontinued.

I would like to thank the Board of Selectmen and Town Officials, and many others, who have helped in the operation of this department during the past year.

Respectfully submitted,

Donald E. Speckman
Highway Agent

INGALLS MEMORIAL LIBRARY

Once again your librarian reports her satisfaction with the library program, in many areas.

As a result of the survey which we took at the last Town Meeting, we have purchased several books pertaining to professions, mechanical projects, hobbies, and special interests.

Your librarian attended New Hampshire University in July, and Keene State College in the fall, for valuable library techniques. She is helping to promote the State Wide Library Card by serving as chairman of this committee in the New Hampshire Southwest District. She has, also, attended all State and District meetings.

The exciting progress of the Library Building and Renovation Fund is particularly gratifying to the librarian, as the expansion of the library's physical space will mean greater service and comfort to all of our townspeople. Col. David E. Crocker is to be warmly congratulated for his systematic and untiring efforts as chairman of this committee. Also, the many solicitors who have made house to house calls have done a great service to their community.

SPECIAL SERVICES

Our A. B. Dick Copier is in service, and is available to the public at ten cents a sheet.

Our story hour continues with "refreshments" for our young audiences sponsored by the Rindge Woman's Club. Mrs. Ralph Green is hostess for these hours, and Mrs. Janeal Ravndal is the "chief reader."

A special project to aid our large Finnish population is being undertaken. Through a special grant from the State, we hope to have a center in the new expansion for Finnish Art, Literature and such other service as we may be able to furnish.

We are cooperating with our Library Service Center of Peterborough in their project to obtain a grant for district-wide cassette service.

The librarian is at present supervising the local Girl Scout Troup for their community badges.

The Town History Committee and Mary Varnum Platts Chapter, D.A.R., hold special meetings in the Symonds Room.

PHYSICAL ASPECTS

Our lack of space has become frightening. Until the library wing becomes a reality, the only place we can go is "up."

Much work is saved for the staff, by the recent purchase of a large, modern book cart. This is a gift from the Friends of the Library and will harmonize with the decor of the new wing.

It is most regrettable that on two occasions the library has been broken into. Special precautions are being taken to prevent a further happening.

Again, I wish to sincerely thank Miss Ella Connell, Treasurer, for her detailed attention to our day-by-day financial needs; Mrs. George Semonite for her valuable experience as a trained librarian; Mrs. Ralph Green for her cataloguing and other clerical work; and Mr. John M. Phillips for his painstaking custodial services and suggestions.

Your library is a fascinating, friendly place. Only you can make it your own by patronizing it.

Respectfully submitted,

Elizabeth W. Sampson
Librarian

Report of the Trustees

1971 Has Been a Constructive One!

Your Trustees have been glad to serve the Town with many hours devoted to the welfare of the library and its patrons; as well as forwarding the Building and Renovation Fund under the capable direction of Colonel David R. Crocker.

We were happy to have Mrs. Charles (Toni) Snow join us in April, 1971, as a new Trustee and extended our appreciation to Mr. Lawrence Walsh for his valuable service to the Town as a Trustee.

Col. Crocker has reported to the Trustees almost monthly on the Fund Raising, and by Town Meeting we are optimistic that we shall have the necessary funds to obtain the Federal Grant; thereby giving us the green light for the renovation and wing we feel is so vital to the growth and health of our Library in offering services comensurate with today's demands.

Aside from the canvass of the whole of Rindge, we have contacted Funds and Foundations, Businesses in a wide area, which incidentally have been very gratifying, Town organizations, personal friends and families whose historic roots have had a great deal to do with Rindge. We have also embarked on other adventures such as having the Durham Reelers for a Square Dance evening, a Chowder Supper with beano, Bridge Parties, and a Raffle for a Color T.V. under the direction of the Friends of the Library. A Benefit Movie is being planned by the Woman's Club to be held in February and the children in the Elementary School are working on a project which will lend support from them.

We owe a debt of gratitude to Col. Crocker for his superb effort on our behalf. We are also grateful to Mr. Phillips for being the liason between the Trustees and the Building and Renovation Fund Committee.

We have maintained a routine schedule at the Library with Mrs. Sampson serving us ably as Librarian and Mrs. Semonite and Mrs. Green as her valued assistants. Mrs. Sampson attended the University of New Hampshire for a summer course in library techniques. We have loaned our projector and amplification equipment for use in the Town and assisted with the recreational program in providing films, gotten rid of a poison ivy problem around the wall, and have found that the services of the Copier are beginning to be realized. We had the misfortune of being broken into twice during the summer. We are grateful to Mr. Brett for his repair of the fireplace and mimeographing service, to Mrs. Snow and Mrs. MacNeil for a banner which will be hung out-of-doors indicating that we are open. We are embarking on two

new State sponsored projects for the Library and are looking forward to a favorable reply in order that we may offer cassette books and an "in depth" Finnish section.

The Story Hour continues with enthusiasm under the direction of Mrs. Sampson and Mrs. Ravndal.

We express our sincere gratitude for the efforts of the Friends of the Library in staffing the library on Saturday afternoons, being hostesses for the coffee hour during the South Western Conference held at our library, a new book cart, and donation to the Building and Renovation Fund from a very successful Rummage Sale and Art Exhibit. We are indebted to Mrs. MacNeil for her past concern for the Library's needs as Chairman of the Friends of the Library and extend our warm welcome to Mrs. Peregrine White as their new chairman.

RINDGE HISTORY COMMITTEE

Report for 1971

In March, 1956, the Town voted to "raise and appropriate the sum of $500 to gather and preserve historical records, data and personal reminiscenses with a view to facilitating the preparation and publication of a History of the Town of Rindge at some future date." Appropriations have been made regularly since then.

Additional information has been gathered during the past year with the genealogical records ready to be put into final form to date. Mrs. Ruby Rice has been developing this information for some years and Mrs. Amy Raymond is now reorganizing and cataloguing the files.

The Committee suffered a severe loss with the passing of Mrs. Ruby Troup, a devoted and helpful member of long standing of the Committee.

Funds are being requested to preserve and accumulate further historical information of Rindge for publication when the opportunity arises.

REPORT of the FOREST FIRE WARDEN and DISTRICT CHIEF

Lest We Forget - It Can Happen Here

Disastrous forest and brush fires that destroy hundreds of homes are more prevalent on the west coast with their dry seasons and strong dry hot winds but 25 years ago this fall is the anniversary of a disaster that devastated large areas of northern New England leaving villages in ashes with rows of cellar-holes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day of October 23, 1947; nothing could stop the wind-driven flames.

It is true that such conditions are unusual for New Hampshire but they happened once; they can happen again. The fuel for fires is all around us. All it takes is a firebrand. Only by cultivating a habit of carefulness with fire at all times can we meet the challenge of protection when dry conditions prevail. Please let these reminders be your guide:

1. Never, either when walking, riding or driving, discard a firebrand - a lighted match or a glowing cigarette.

2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted if your town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.

3. If you camp or picnic, be sure open fires are allowed and if they are, put them dead out when leaving.

4. Most important - Instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a dangerous combination which leads to destructive loss and can lead to tragedy.

The past year - 1971 was a favorable year for the control of fires. There were too many fire starts in some towns. We thank those who remembered and ask others to heed Smokey's message.

Number of fires reported and acres burned - 1971:

STATE	-	463 fires	160 acres
DISTRICT	-	41 fires	12 acres
TOWN	-	5 fires	1/4 acres
